Enclosure: (A) Cost Breakdown
Field Engineering Effort
"A" Follow-on Program

Dear Art:

Enclosure (A) is submitted herewith for your review, representative of the field engineering effort to be supplied on the "A" Follow-on program. The total amount estimated for this
25X1A effort is [redacted] and is quoted on a labor/hour basis.

Upon reviewing the accelerated delivery schedule for the four "A" Follow-on Systems, it is anticipated that this field effort will begin on March 2, 1964, and cover a period through August 16, 1964.

The hours quoted comprise four men covering this period on a fifty-six hour work week.

As previously agreed in negotiations of four "A" Follow-on
25X1A Systems, this estimate has been computed utilizing an off-site overhead rate of [redacted] on engineering labor hours.

Very truly yours,

[redacted]
